

WEEK TWO

The Bible is a love letter from God to me.

This week memorize 1 John 5:13. *“I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life.”* NIV

DAY ONE

The Bible is a very special book.

PRAYER – *Father, I want to thank You for giving me the Bible. I have found in it the words that give me life. Help me to spend more time reading it. Please help me to learn how to do what it says. In Jesus Name. Amen.*

WORD – Read 2 Peter 1:20-21. *“Above all, you must understand that no prophecy of Scripture came about by the prophet’s own interpretation. For prophecy never had its origin in the will of man, but men spoke from God as they were carried along by the Holy Spirit.”* NIV

If you own a Bible you possess a very special book. It is God’s Holy Word. The Holy Spirit inspired the people to write it. God chose to reveal His plan of having a relationship with mankind in the Bible. It is a history of God’s love for the human race. The books of the Bible have been passed down to us intact. No other book of ancient times has as many manuscripts and editions. It has been proved true over and over again. People have tried to discredit it and destroy it. Yet it still remains the number one seller. The Bible tells us the wonderful true story of how Jesus came to die for us. In it’s pages we discover the many promises that God has for us. I heard a person say once that the Bible is the only book that the author is always present every time you read it. The same Holy Spirit that inspired the writers of the Bible is there with you when you read it for yourself. You possess a very special book.

CHALLENGE – If you are not in the habit of reading the Bible start today. It will take a little more time than doing this devotion. You might want to start with the Gospel of John. I would encourage you to read one chapter a day. Buy yourself a pocket New Testament and carry it with you. When you find yourself waiting on someone or just hanging around pull it out and knock out a few chapters. Remember that the Bible is God’s love letter to you.
