

DAY SIX

What happens when I worship God?

PRAYER – Father sometimes when I go to church I don't expect anything to happen. I'm usually right. But sometimes when I am paying attention You speak to me, You change me. Will You help me to expect You to show up when I worship? I don't want to go through the motions. I want to meet You.

WORD - Read Psalm 22:3. *“But You are holy, enthroned in the praises of Israel.”*

Something happens when you worship and praise God. He shows up! Many times we don't think about it. Many times we are singing songs about God and what He has done. We are going through the motions of our Sunday morning routine. We think that the singing is to get us ready for the sermon because we separate the different parts of the service. The singing is for God! It is one of the greatest things that we can ever do for God. It is the time that we tell Him that we love Him. When we do that, He shows up. He comes to heal and forgive, to love and restore. He comes to hang out with us. That's what happens when I worship God.

CHALLENGE – This Sunday when you go to church think about what you are doing. Remember that God is showing up. Sing to Him and tell Him that you love Him. Thank Him for being in your life. Never let your worship of God become routine. It is your job to focus on Him!
