

[John 10 v10]

What are some other ways that you tried or still try to find fulfillment in your life excluding Jesus? How's that working out for you?

[Philippians 4 v9, Matthew 7 v24]

What do you think about the idea that the full/abundant life can only be found through obeying the commands of Jesus?

How do you view the commands of God? As a formula ($A + B = C$) or by doing them you are tapping into the way that God originally created you to live?

[Galatians 2 v20]

The full/abundant life is not with out sacrifice... What are some old (habits, worldviews, perspectives) that you need to crucify with Christ so that He and the life that he promises can live in you?

[Ephesians 2 v8]

The Key to sustaining the full/abundant life of Jesus is understanding that "The way in, is the way on" That we all entered into relationship with him by grace and that it is by his grace that we continue on the journey.
